

THE SHOE TELLS THE TALE: Of the accident, Paula Sullivan, four year old daughter of Mr and Mrs Donald Sullivan will be a patient in the Mass General Hospital for three or four months, according to friends. The car has just been moved, and the driver is shown at left. Officer Charles Dolan is directing traffic.

## MBTA COSTS WILL DOUBLE

Three MBTA spokesmen, John Coffey, Joseph Kelly and George Reynolds were guests of the Wilmington Chamber of Commerce for a luncheon last Thursday, to discuss the MBTA problems.

A greater part of the discussion involved a history of the finances and voting problems of the MBTA and its constituent towns and cities.

A small part of the discussion at the end of the meeting involved Wilmington.

Wilmington is paying a subsidy of about \$32,000 this year to the MBTA and will pay \$70,000 in 1970.

The principal reason for the increase is the take-over, by the MBTA, of the bus service formerly operated by the Eastern Massachusetts Street Railway. The carmen union, No 1509, which had jurisdiction over the Eastern Mass had made great strides for its members, and said one of the spokesmen, it is probably that the Eastern Mass would not be in service today, had it not been taken over by the MBTA.

Lowell, Lawrence, and Wilmington were among the towns that were assessed for the MBTA bus service deficit. Lawrence has dropped its agreement, and now has a private company operating buses to Boston. Lowell is having a bus service that goes through Billerica. Wilmington still has bus service. Tewksbury, to the north of Wilmington, no longer has any bus service.

In reply to questions, the speakers said that Wilmington could, by vote, drop its bus service with the MBTA. The Selectmen would have to make a petition, and there would have to be a vote by ballot. This is a hot issue in some of the towns and cities. Peabody at the present time has a tax payers' group that is pushing the issue in that city.

Hopefully, the members of the Chamber were told, Wilmington will eventually have a rapid transit service, with bus feeders. At

the present time, the B&M contract trains, at the Wilmington Depot have an average (1968) daily count of 325 passengers, of whom 120 are out of town residents.

The MBTA plans for the railroad line that goes through North Wilmington are still in the future but there may be a rapid transit service sometime to Reading, and possibly a rapid transit service to Wilmington Junction. Secretary of Transportation, John Volpe, is trying to get legislation through Congress to extend this type of service in the municipal transportation systems throughout the country.

### DIABETES AND GLAUCOMA CLINIC ON MAY 10th

A glaucoma eye screening clinic and a diabetic detection clinic will be held for the citizens of Wilmington over 35 years of age on Saturday, May 10th, at the High School Cafeteria, on Church Street. This is a free clinic and all are urged to attend. Nothing should be eaten for 1-1/2 hrs prior to the clinic.

## Order of the Arrow presented to John Virtus

John Virtus of Longview Road, for many years a leader and Scoutmaster of Troop 63, Wilmington Boy Scouts, was honored by a testimonial breakfast in Villanova Hall, Sunday morning. Mr. Virtus is about to leave Wilmington.

Among those present were Fr. Edmund W Croke, pastor of St. Thomas, Fr. Edmund L Parker, chaplain of Boy Scout Troop 63, Edward Butler and Mrs Butler of Lowell (Chief Scout Executive of the Greater Lowell Council), John Duffet, Wamesit District Executive, Robert Doyle, Wamesit District Chairman, with Mrs Doyle and St Dean, with Mrs Dean, the Wamesit District Commissioner.

Also present were Ken Walley of Woburn Street, Neighborhood Commissioner, Paul MacMullin, president of the St. Thomas Holy Name Society; Charles Gilbert Troop 63 Chairman, with Mrs.

Gilbert; Donald Capone of Hillside Way, new Troop 63 Scoutmaster, with Mrs Capone, and John Clarke, Advisor to the Order of the Arrow, with Mrs Clarke.

The Toastmaster was Alex Verwaert of the Lowell Greater Council, Boy Scouts of America.

The Order of the Arrow, which signifies outstanding contributions to Scouting, was presented by Mr. Clarke.

A Gift Certificate, for his unselfish devotion to Troop 63 was presented by Charles Gilbert, and a Gift Certificate for his loyalty to the Council was presented by Robert Doyle.

The Past President Pin of the St Thomas Holy Name Society was presented by Paul MacMullin and The Scouter's Wife Award, together with a floral centerpiece was presented to Mrs Virtus by Mr Gilbert.

### HE WAS MOURNING HIS DOG

Charles Jordan, 64 years old, of Brattle Street, saw his dog hit by an automobile, at about 11 pm on May 2nd, in front of the Wilmington Fire Station.

"Oh, this is too much!" he said. "I just can't take it anymore! He collapsed, on the spot, and was put into the Fire Department ambulance and rushed to the Saint Johns Hospital in Lowell. He was pronounced dead on arrival.

The dog, after a minute, got up and walked away.

## Armed Robbery on Salem Street

how to drive.

At Salem Street the driver was forced to stop the truck. The bandit was reported as taking 32 bags of money, which he put into an empty carton, and then told the driver to lay down in the back of the truck for five minutes.

Lampropoulos thinks that an accomplice was following, in a car, and that they escaped in the direction of North Reading. He walked down to the Cronin office and called the police.

The bandit was described as being about 5 foot 9, and weighing about 180 pounds, with dirty blond hair.

### GEORGE COGAN ON TOUR OF AIR FORCE BASES

George Cogan, Guidance Counselor at Wilmington High School, is participating in a week-long educator's tour of three military bases near San Antonio, Texas. He is visiting the Randolph, Lackland and Brooks Air Force Bases. Cogan is the guest of the U.S. Air Force. The tour features visits to the air museum, sentry dog training areas, basic military training areas and schools. It also takes in personnel research laboratories, and basic training facilities.

At Brooks Field, which is near San Antonio, Cogan will tour the flightline facilities, and receive briefings at the Air Training Command headquarters.

He leaves Texas tomorrow for the return trip to Stewart Air Force Base, near Newburgh, NY, from whence he departed on the first day of the trip.

### JOIN THE MERRIMAC VALLEY PLATOON

All young men who are faced with a military obligation can join the U. S. ARMY now and leave on the 14th of July with the 'Merrimac Valley Platoon'. According to SFC Skipper the local Army Recruiter, there are many Technical Schools available for young men who want to enlist now.

The platoon will be made up of young men from the following areas: towns: Lowell, Dracut, Tyngsboro, Westford, Chelmsford, Tewksbury, Wilmington, and Billerica.

Anyone who wants to join this Elite Platoon is urged to contact SFC Skipper at the U. S. Army Recruiting Station, 34 Bridge St in Lowell, or phone 459-9300. A big send off is in the planning stages and the Platoon is filling fast, so hurry, and bring a buddy

# Dump Charges OK

The Board of Selectmen, Monday evening, put their seal of approval on the present methods used by the operator of the Wilmington Town Dump.

There had been telephone complaints to some of the Selectmen that a charge was being made for the privilege of dumping scrap material in the town dump. Miceli said however that he had not received a single call.

And, after listening to the story of Clarence Spinazola, operator of the dump, and his accountant, Bob Collins, Miceli led the Selectmen in declaring that their practices of charging for overloads was a very good one.

All three members of the Board of Health were present - the chairman, Jim Durkee; Mrs Boylen and Joe Paglia. Also present were Mr Spinazola and Mr Collins, and a third person who was not identified. The meeting had been called by the chairman of Selectmen, James Banda.

Banda said he had had numerous complaints of citizens being made to pay to use the town dump.

Durkee read out loud the pertinent items in the Board of Health contract with Mr. Spinazola.

Paragraph seven permits use to all residents for disposal of normal household rubbish. Details were spelled out, so that someone bringing in rubbish in a load larger than normal would have to pay for the privilege.

There were several reasons for the charging, the Selectmen were told, in a series of statements made by Durkee, Spinazola and Collins. Wilmington residents who were employees of out-of-town rubbish collectors would sometimes bring in vehicles loaded with trash, which obviously had been collected out of town.

A line had to be drawn somewhere, and it was hammered out in the agreement signed this spring. Spinazola then paid for three advertisements in the Town Crier, to tell the people of the agreement.

Another section of the agreement, paragraph three, prohibits such items as garbage, industrial wastes, putrescent material, furniture, sinks, tree stumps or used building materials.

Charges for people who exceed 'normal' loads are not less than \$2, nor more than \$30, as spelled out in the contract.

Collins told the Selectmen that the cost of the sanitary land filling operation was assessed to the general public, in the annual contract, and that out-of-town firms and others who attempted to use the dump for excessive material use were trying to make the general public pay for it.

As a result of the more stringent operations a Chelsea contractor who had been using the Wilmington dump has now gone elsewhere.

Spinazola told of one incident in which an out of town man was going to use the dump 'or I am going to bury you!' He added that the Town Manager had promised police protection but it was only 'a periodic thing', and he, Spinazola 'couldn't chase everybody'.

As a result the Selectmen told the Town Manager to check up on the police protection for the town dump.

Mrs Boylen said that one local manufacturer had been dumping more than four times as much rubbish as anyone else in town. Now that manufacturer has to pay for the right to use the dump.

Miceli ended up the conversation by saying that as long as the individuals could use the dump for one piece of furniture or equipment, or such, at a time, it was ok with him and he was happy. The large plants, he said, were no concern of his.

The Brentwood Avenue people who have been appearing before the Selectmen were present again to discuss their drainage problem.

Their property is beside a ditch and their home was built about 20 years ago by a man who later moved to California. There is a drain under Brentwood Avenue which concerns them. It has been there for years.

TM Morris said it would require an easement for the property, if the town were to do any corrective action, there would have to be a catch basin, and 100 feet of 15 inch pipe across the property. He computed the costs at \$1100, and then added that there would be two or three feet of fill, afterwards.

The Town had asked for \$25,000 for drainage problems, and had got \$12,000 from the Town Meeting, which money is allocated for Middlesex Avenue and Aldrich Road.

In other words the TM gently told the people that there was no money available.

He also told them that the Town Meeting would have to approve of the money being spent.

Morris pointed out that the property was in its present condition when it was purchased by the present owner.

The owner told the board that it

had been a dry year, but that the past two years had been wet, and added that a child might be drowned and that the town owned the culvert with or without an easement.

Morris agreed that there was a culvert under the street, but was sure that the town would have to take land to establish a proper system, and that the town meeting would have to appropriate the money. He displayed, on a map, that if an easement were put through the property there would be questions about flooding a house in back of the property. The situation was bad, Morris said, and he thought that the owner might be having troubles about a septic tank condition.

The owner said that it was correct that the ground was saturated and that there was trouble about the septic tank.

He was told the Board of Health was the board to see in such a case, and the owner and party went down stairs to see that board.

### Other Business

The new By-Law Committee has asked for \$300 for expenses. The question was referred to the Finance Committee.

McCann & Elftman, attorneys, have asked that the Selectmen sponsor an article in a Town Meeting correcting a deed. This was referred to the Town Council.

An incorporation certificate, referred to the Selectmen by the State was held up, pending a report from the Selectmen of Tewksbury.

Papers were signed for the sum of \$9375 for 'Chapter 81' money for roads, coming from the County, on motion of Mrs Drew.

A survey on law enforcement in Massachusetts, by a state board or committee, was turned over to the Town Manager.

Permits were granted to General Electric for the storage of liquids, after a public hearing, on motion of Mr Miceli, with some references to be settled by the Board of Health.

The lots of land on Dell Drive, in which excavations have been made by a company now bankrupt were discussed. The board agreed that the excavations are a health hazard, and the TM is to discuss action with the Town Council.

#### New Business

Mrs Drew assured all that the Clean Up Week for the town would continue this week.

TM Morris said that the tax rate setting, and the mailing of the bills would be late this year, because the State will be late in mailing the 'Cherry Sheet' (allocation of state, county and municipal funds) to the

towns and cities. The bills will probably be mailed out in the last of July or early August, he said.

Two ladies from Fairmeadow Road appeared with a long standing health complaint. After a long discussion the matter was referred to the Board of Health.

There is to be a meeting on May 19, at 7:30 pm with the State Department of Agriculture, the Planning Board, the Conservation Commission and the Board of Selectmen.

The meeting was adjourned at 9 pm. A short executive meeting had been held before the regular meeting.

#### DONALD E JOHNSON PASSES AWAY

Donald E Johnson, of 325 Washington Street Abington, Mass., died at the Veterans Administration Hospital in Jamaica Plain on April 30th after a brief illness.

Mr Johnson, who was 35 years of age was born in Malden, and was the son of the late Frank E and the late Bertha I (Paquette) Johnson. He had resided in Malden for many years, and for a brief time in Wilmington, before taking up his residence in Abington seven years ago. He was a veteran of the U S Army at the time of his death and was employed as an installer for the Anderson Insulation Company of Abington.

He was survived by his two sisters: Mrs Helen C Hudgins of Park Street, North Wilmington, and Miss Velma N Johnson of West Falmouth, and his two brothers Harry and Charles of Saugus.

The funeral was held from the W S Cavanaugh & Son Funeral Home of 374 Main St on May 3rd at 8:15 am, followed by a High Mass of Requiem at St Thomas Church at 9 am, celebrated by Rev Father Francis Mackin.

Burial followed in the family

lot in Wildwood Cemetery.

Pall bearers were Roger Greenough, Russell Anderson, John Peters, Frank Paquette, Eric Johnson, and Frank Johnson.

## An Anti-climax

The Wilmington Planning Board, Tuesday night, spent nearly two hours discussing a proposed railroad crossing for Industrial Way, the street that goes through the DiCenso industrial development in South Wilmington. Taking part in the discussion was Fred DiCenso and his engineer, Erich Nitzsche, and an attorney, a Mr. Ring.

Edison Shoe, a mid-west shoe firm said to be the largest in the United States, with an annual sale of \$250 millions, is buying 14.8 acres of land for the purpose of erecting a warehouse. The first section of the warehouse is to be 188,730 square feet, and eventually it will be nearly 400,000 square feet in size. The plans have already been drawn - and the board was told that they were duplicates of plans for a warehouse now in use in one of the western states.

The crucial point was that the railroad siding had to be on the east side of the building.

On the west side there would be no problem - the crossing of the tracks over Industrial Way would be at right angles. There would be only perfunctory hearings, for approval.

But to go to the east side of the building meant that the crossing of the track and the street would be at a sharp angle, and the members of the Planning Board could envision all sorts of terrible events - accident with cars and the rails, snow plows and the rails, etc.

The discussion went on and on. DiCenso and Nitzsche insisted that the shoe company would not allow the building to be 'reversed' in plans, so that the east side would become the west side, etc.

Town Engineer Arthur Harding had already spent many hours in discussions of the problem with the B&M RR, the state Department of Public Utilities and the Middlesex County engineers. He told the Planning Board of the discussions and it took quite a time.

Finally the DiCenso party left, the problem unsolved.

Just before midnight Mr Nitzsche returned, saying that it might be possible to 'reverse' the plan, and thus solve the problem. He couldn't be sure, but he would be in consultation on the problem in the morning (Wednesday), with the firm, etc.

It was practically an anti-climax

Draper Drive  
The first half-hour of the meeting

was spent with four men from Draper Drive. They were unhappy about the condition of their lawns, and the grading. 'A beautiful neighborhood, but an awful eyesore' was the way they described it.

The developer had sold the lots to a private builder, and there was a display of one agreement the builder had made to grade the lawn, but nothing had happened, the board was told. There were boulders, there were stumps. The grade of the lawns was below the curbing.

The Planning Board half-promised it would see what it could do, but later, at about midnight, it decided to wait a week and see.

Donald McLean of Hobson Ave. presented a plan for land he had purchased in back of his home. There were no difficulties.

Some of the members of the Planning Board will be attending the next meeting of Region 5A, Massachusetts Federation of Planning Boards, in Danvers, next Monday.

A letter was received from a lady who lives at Allan Place, reporting that trucks and bulldozers were using that short road. The board sent a memo to the Building Inspector asking, in effect 'What is going on?'

The board is not certain as to the date of the coming meeting where the City of Woburn plans for roads in North Woburn is to be discussed with the State DPW and Wilmington officials. The date is believed to be scheduled for May 14.

Mrs McKie reported on her first meeting as a member of the Executive Council for the Metropolitan Area Planning Council (MAPC). She had found more than a few members to be against the idea of the proposed Mid Circumferential Inner Belt Highway (called in Wilmington the 'new Route 62') and 'we have tentatively and unofficially agreed to form an 'Anti Mid Circumferential Belt association'.

She noted that the MAPC is required to give its approval of applications from towns and cities in the area for Federal funds (HUD) and it was well, she said to note how things that were being done. 'We should be aware of what the MAPC can do for us'. She reported that the city of Newton was getting HUD funds for scenic parks of 38 and 65 acres, and Bedford is getting funds for a Public Improvement Program.

The discussion changed to the bills in the state legislature which would have low cost housing put up

in suburban towns and cities. Mrs McKie had sent to Rep. Fred Cain for one such bill, and in return she got another, Senate Bill 1141, which the members read with interest.

The most interesting part of the bill, the members decided, was the provision that exempted certain towns and cities from the provisions. There were over a dozen, places like Winchester and Newton. 'Get Wilmington's name on that list' Danny Gillis said.

The proposal is that low income housing should be built in towns and cities to equal 2% of the existing population. Gillis noted that Wilmington already had more than its quota.

### State Meeting

The members of the Planning Board will be attending the annual meeting of the Massachusetts Federation of Planning Boards, in Newton, next Saturday.

Mr Gillis has been, in the past, caustic on his comments of this group, claiming that it is a self-perpetuating group that does nothing really constructive.

The members had quite a time in a rapid review of the coming meeting, a review which was discussed with zest and speed.

The first speaker is to be a man from Sharon who will report on the Cluster Zoning experiences of that town. Mrs. McKie wanted to be certain that she was there in time to hear him.

Other subjects included Junk Cars, Master Planning, a talk by Julian Steele, and one by Senator Michael Dukakis.

Part of the report that was read was a transcript on the report of the President's (Johnson) National Committee on Urban Problems. Gillis said it sounded like a report from the Home Builders Association.

The Wilmington effort to 'open' up the meeting, and particularly to open up the nomination of officials from the floor seems to have been defeated, even before the meeting is to begin. Gillis said grimly that he would have something to say.

### Other Business

Mrs McKie is to be a speaker at the annual meeting of the Building Inspectors Association, on May 29.

There was a discussion of a lot of vacant land on Woburn Street, through which runs a ditch that drains the Route 93 area. The lot was set aside by the Jackson Brothers when they developed Barrows Park, and in June the brothers can do with it what they please, if the town has not purchased or agreed to purchase it by then.

Various members of the board had gone down to inspect the land.

Hooper felt that the culvert under Woburn Street was dangerous to small children, and Mrs McKie felt there should be a fence at the roadside, because of the 'drop' from the road level to the water level. Mort Grant, the newest member, said he could understand why the Sheridan Road residents who live there would like to buy the land.

Mrs McKie did not feel that the land was suitable for recreation.

Mrs McKie did not feel that the land was suitable for recreation purposes, but said an easement should be made alongside the brook.

The meeting adjourned shortly after midnight.

# Just a lot of Hot Air?

Imagine a man heating his home by pumping in cold air from the outside!

Impossible?

No. It is being done, down in Saugus, in a home owned by a man named Alan Raymond.

He pumps in the cold air by an electric motor, all winter and by a process of heat exchange it becomes warm, and heats his home.

And in the summer he pumps in warm air, and by heat exchange he makes it cold - and his home is air conditioned.

Air Conditioning? - That's it - worked out to the nth degree.

Scientists have known for years that the trick is possible - the only trouble was that it took more electricity to do the job than it was worth. Just too much money to make it economical.

But in Alan's case the cost is \$31 a month, in the summer, and 5% more for the three coldest months of the winter. That's much less than many pay just for their heating bills.

Alan Raymond, with three brothers and a brother in law is a member of a firm that his father founded, and which has just moved into a new building on Eames St.

The firm is called Bay State Hermetics, Inc. and it is next door to the Dragon Cement plant, and just across the street from National Polychemicals.

Ralph, the father, and founder of the firm, says that his new neighbors are just wonderful. They are friendly. They called on the new firm, when it moved in. Just couldn't be nicer people, Ralph says.

Ralph started in the business 36 years ago, in Malden, when he was faced with a challenge. A sealed unit to a refrigerator was not supposed to be opened - so he opened it.

He has been doing it ever since, in what can be called growing complexity, and has had all sorts of challenging jobs, as a result.

RALPH RAYMOND: President of Bay State Hermetics, Inc. with his son-in-law Dave Gauvreau.

He got a contract, once, to equip 253 new buildings in Mexico, with 'white' air conditioning and heating.

The term 'white' is used for places which have controlled conditions, so that there is no dust, no foreign substance, in the air. Many scientific laboratories are 'white'. Much of the new General Electric plant in Wilmington is going to be 'white'.

There was an attractive and challenging feature to that job in Mexico - the low cost of electric power. It isn't very high in that part of Mexico.

In the summer when it is hot it is pleasant and cool in those 253 plants - and if a 'norther' comes in the winter - just heat them up with that cold outside air!

But heating a place in New England, with outside air. That's a different kind of challenge.

And Alan is doing it.

## CADETTE GIRL SCOUT TROOP VISITS BOSTON

The Junior members of Troop 215 spent the weekend in Boston while their sister Scouts visited Washington during spring vacation. After checking in at the Statler Hilton, they walked across the Common to the State House and took a tour of King's Chapel.

On their itinerary also were the London Wax Museum, Lunch at Bailey's, and the movie 'Oliver' at the Prudential Center.

On Sunday Morning, after church the group ate lunch at a restaurant on Tremont Street. At 1:30 they left for Harvard University where they toured the Peabody Museum, arriving at the North Station for the 5:30 train home.

The Girls wish to thank all the people in Wilmington that supported them and made this trip possible.

*YOUR  
Pharmacist  
SPEAKS*

By Louis

Before the middle of the 19th century no one knew anything about either antiseptics or germs.

Roughly half the people operated on died because their wounds became infected. In the 1860's, Pasteur discovered that things spoil or decay because of organisms getting into them.

Joseph Lister, an English surgeon, hearing of Pasteur's work, wondered whether germs could be getting into wounds and infecting them. He tried using carbolic acid to keep germs out.

The results proved that the idea was a promising one. The time of safe, antiseptic surgery had begun.

There are many improvements in the world of medicine. Come to **SILVER LAKE PHARMACY**, 52 Main Street, for fast, friendly service. All of the newly developed drugs stocked here.

**THE NICHOLS STREET BRIDGE SITE:** Has been cleared away, and the home of Willard Fuller is being moved to a site further away from the bridge. Work started on the bridge several weeks ago, and Rep. Fred Cain is an almost daily visitor.

The old cellar is believed to have been that of the barn of Timothy Carter, which burned 141 years ago. Sparks from a locomotive of the Boston & Lowell railroad caused the fire in 1837, one of the first in the country to start from such a cause.

There'll be a Special Meeting of the Crusaders on Monday at 8 at 4 Oakridge Circle to make plans for the Contest on July 11 and they need some volunteer help...Show up there, folks.

Don Varley of 13 Shady Lane Drive was elected reporter of his Machine Processes Technology Section this year.

Donna Kirby, daughter to Mr and Mrs Donald Kirby has been pledged to Nu Omega Chapter of Phi Theta Kappa at Fisher...Donna is a Legal Secretarial Major.

Tommy O'Hare of 20 Hathaway Rd is on the Bentley College Varsity Tennis Team and will compete with the Falcons in a 10-match schedule this spring.

There will be an International Car Show at Smyly Buick in Malden from 10 to 10 every day where they will show the new car display of the recent International Car Show in NYC.

The Women's Club Art Festival will be in the new Library on June 7. Applications are being printed...So get out the brushes or mortar, or whatever your media is...and get ready...More will be announced later...Anyway it's in charge of Mrs Stephen Condrey and promises to be better than ever this year.

Did you know that the High School Band will play an exchange concert in Camden-Rockport High School. They will leave Friday May 9 at 10 am and go to Maine On the following week, they will be here for a free concert in the High School Auditorium on Saturday, May 17th at 8 p.m.

To all of you young folks that family, Winchester Hospital is offering free courses to expectant prents from 8 to 9:30 on four consecutive Mondays, commencing on May 19th.

You may register on weekdays between 9 and 3 by calling 729-1900, extension 216.

Now, hear this, hear this.... All of you 39 years young folks That Diabetes and Glaucoma Clinic should be a must on your agenda for next Saturday pm from 1 to

4:30 and don't eat before hand We'll see you at the PP afterwards...The brochure gleaned at the Town Hall asks this list of questions: with yes and no answers: Are you over 40? Any diabetes in your family? Are you overweight? Any sudden weight loss? Are you constantly thirsty? Do you eat excessively? Do you urinate frequently? Do you tire easily? Do wounds heal slowly? Any pain in fingers, toes? Any changes in vision? Does skin itch frequently? Are you often drowsy? Have you had any babies weighing over 9 lbs at birth? Well...now...this Chick can answer almost all of those yes, so she'll see you at the Clinic...at least I'll know I'm a hypochondriac then!

Here is one to remember, girls, Kevin Cook, son of Mr and Mrs Edward Cook of MacDonald Road was born on March 24th.

His brother, Scott, who is three years old has March 25th for his birthday, and his sister Deborah, who is four, has March 23rd.

Three in a Row birthday parties at the Cooks!

NOW...wee gleanings from the Boys...and to all of you parents that are inquiring...the Captain says he'll have that article on them for you shortly...

Duke Garland is stationed at the same base with Johnnie Deslongchamps in Vietnam...Right now he is on his R&R in China So, Johnnie, look him up when he returns...SP4 Ralph Garland 9th MP Co, 9th Inf Div...and on the Macon Delta in the 9th Infantry Division as Warrant Officer and Helicopter Pilot is Paul Bielecki arriving this week in Vietnam...so add him to the Reunion, there boys, and have one for this Chick! Happy reminiscing!

Louise DeFelice got her mothers Day gift...a telephone call from Tommy in Bien Hoa, Vietnam. He'll be coming home in 43 days and he and Brian McMahon had a great two hours together and will be reuniting again...A big Sergeant now, Tom is planning to take the big step to the altar when he returns in June...Congratulations, there Tom! And say hi to Brian for us...We're next door neighbors, you know!

So the helter-skelter is finis this week...We love all of you kids over there, and if we haven't had your change, let us have it cause the Clan is planning a little fourth of July surprise for the mail call! Thanks a bunch!

## Track Team

# Still Breaking Records

Wilmington High School's Track Squad defeated Billerica on April 29th with a nice comfortable score of 75 to 38.

Ed Thomas set a new school record of 9.6 seconds in the High Hurdles, and also won the High Jump. Mike Esposito was a double winner in the 100 and 220, and Carl Cotter was the winner in Shotput and Discus. Rick Smallidge continued undefeated in the Low Hurdles.

in this event.

The Wildcats broke another two records on Thursday as they defeated Burlington in track, 88-25. High lights were a 9.5 in High Hurdles by Ed Thomas, and Mike Esposito's 10.3 in the 100 yard dash.

Saturday the Wildcats finished second to Andover in a Freshmen-Sophomore meet in Lawrence. Nineteen teams were in the meet and new Meet Records were set by

MIKE ESPOSITO: Breaking the tape at 10.5 seconds, to set a new High School track record for Wilmington. Bob Kyricos of Billerica is second, and Richard Weed of Wilmington third, in the hundred yarder.

ED THOMAS is first, in the 45 yard hurdles. Behind is Bob Barry of the Wilmington team who came in second.

Larry Harrington, Alan Helm and Bob Barry scored 1-2-3 to shut out the Indians in the 440. Mark Winchell and Lenny Sawyer with a second and a third in the Discus, contributed to a sweep

Carl Cotter in the Discus, Rick Smallidge in the Low Hurdles and the 440 Relay team of Richard Weed, Rick Smallidge, Dick Gillis and Mike Esposito.

Wilmington's Varsity team now

has a conference won and lost record of 3-2. Their overall showing is 3 and 3, losing a non-league meet to Lawrence Voke in April.

### Softball

The Girl's Varsity Softball Team split their opening encounters last week, losing to Woburn, 11-1 and drubbing Burlington, 12-3. Last Tuesday, the girls traveled to Woburn and were able to muster only five hits while allowing Woburn fifteen. Returning home on Thursday afternoon, the girls scored early with five runs in the first and four in the second inning, while enroute to their initial win. Linda Spinney pitched a six hitter and went 3 for 4 at bat. Catcher Joyce McMillan not to be outdone by her teammate, also went 3 for 4 at bat, to pace the sixteen hit attack.

### Baseball

In baseball action last week, the Varsity lost all three of their games and have now lost five in a row and six of their last seven. On Wednesday afternoon, the Wildcats knocked out Steve Howard, Burlington's starting pitcher, in the first inning scoring three times on walks to Tildsley and Gillis, singles by Mirisola and Leverone combined with Harrison being hit by a pitch. Watson came into pitch for the Red Devils and slammed the door as he allowed the Wildcats only one more run and four hits in 6-2/3 innings of excellent relief pitching.

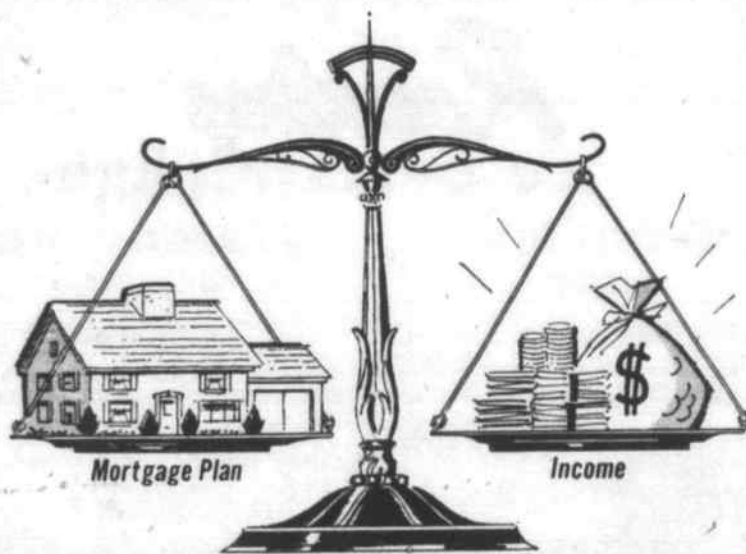

Mark Dragan, making his initial conference start, was unable to hold the Red Devils at bay and the Wildcats suffered their third loss in succession, 6-4.

Friday afternoon, the Wildcats traveled to No Andover to play the Scarlet Knights and suffered their fourth straight loss, 6-5. Trailing 6-1 going into the seventh and final frame, the Wildcats rallies for four runs after two were out. Co-captain Ed Gillis delivered the big hit a two-run single, but the inning and the game ended with Gillis on first as Leverone grounded out.

The Redmen of Tewksbury beat the Wildcats on Monday afternoon for the second time this season, 10-3. Again, Tom Casey was too much for our boys as he was the first time, as he allowed three hits and two runs in five innings of pitching. He also struck out nine Wildcats. Dan Walls started for our side, but was wild in the four innings he worked. He allowed six runs, seven hits, walked four threw three wild pitches, which contributed to his poor showing. Dave O'Connell finished up allowing four runs and three hits in his two inning stint.

The Junior Varsity defeated Burlington, 4-2, and lost to No Andover 7 - 0, and Tewksbury 11-10, in their encounters last week. Coach Gagnon's crew is now 3 and 6 for the season. The Freshmen played to a 6-6 tie and Tewksbury on Monday, and now are all even for the year at 1-1-1.

and to EMILY BYRON and MR.  
BYRON, if any, both now or for-  
merly of Los Angeles, in the State  
of California, or their heirs, de-  
visees or legal representatives:

Whereas, a petition has been  
presented to said Court by the  
TOWN OF WILMINGTON, a munici-  
pal corporation, located in the  
County of Middlesex, and said  
Commonwealth, to foreclose all  
rights of redemption from the tax  
lien proceedings described in said  
petition in and concerning a cer-  
tain parcel of land situate in said  
Town of Wilmington, in the County  
of Middlesex, and in said Common-  
wealth, bounded and described in  
said petition as follows:

(105-2) Parcel #1. About 21,800  
sq. ft. of land, Ballardvale Street,

under oath, setting forth clearly  
and specifically your objections or  
defense to each part of said peti-  
tion, in the office of the Recorder  
of said Court in Boston (at the  
Court House), or or before the se-  
cond day of June next.

Unless an appearance is so filed  
by or for you, your default will be  
recorded, the said petition will be  
taken as confessed and you will be  
forever barred from contesting  
said petition or any decree entered  
thereon.

And in addition to the usual ser-  
vice of this notice as required by  
law, it is ordered that the foregoing  
citation be published forthwith once  
each week for three successive  
weeks in the Town Crier, a news-

At a seven o'clock candlelight ceremony on March 22nd at St Thomas Church, Beverly Boudreau, the daughter of Mr and Mrs Clement Boudreau of 1 Cook Avenue became the bride of Mr James A Murray, the son of Mr and Mrs Malcolm H Murray of 173 Wildwood Street.

The bride was gown in peau de soir and chantilly lace, empire style, with a long train showing cut out flowers of lace. She carried an old fashioned bouquet of stephanotis and white roses.

The maid of honor, Marilyn Boudreau, sister of the Bride and

the Bridesmaids, Lorraine and Virginia Boudreau, also sisters to the Bride, and Barbara Genetti Marie Powers, and Roberta Anderson, all friends of the bride from Wilmington were gown in A line dresses with lace sleeves and trains in spring pastels with headpieces of small bands of petals.

Harold Murray, brother of the

groom was his best man, while Raymond and Joseph Boudreau, brothers of the bride, and Richard Erickson of Littleton and James Long of Lowell, cousins of the groom, and Bruce Durning of No Randolph, a friend of the groom were the ushers.

The bride was given in marriage by her father and a lovely reception was given at the Knights of Columbus Hall in Tewksbury with Arleen Rivers of Wilmington and Frances Paglia of Everett, friends of the bride, in charge of the Guest Book.

The mother of the Bride chose a mint green coat and dress ensemble with white roses and the mother of the Groom wore beige lace with pink accessories and pink roses.

Both were educated at the Wilmington Public Schools. After a wedding trip to New Hampshire, for which the bride chose a blue coat and dress ensemble with yellow accessories, the couple will be at home at Fort Campbell, Kentucky, where the groom is stationed as SP-5 in the U S Army and where the bride will be employed until the groom is discharged in five or six months.
